

Discord

If you have a question don't hesitate to ask it. Please wait patiently for a response. No support staff online or you simply haven't received a response? Please file a support ticket and we'll get to you as soon as possible.

Invite link to our support server: <https://discord.gg/dZtmf3d>

Please keep in mind our Discord support is primarily community driven. As such please be patient with whoever helps you and if you are requiring more sensitive or immediate support try submitting a ticket.

Looking for a server for more general discussion regarding seedboxes, private trackers and the like? Join The Ratio here (not affiliated): <https://discord.gg/wab3Qag>
